

PRACTICE ASSIGNMENT

Digital Marketing & Facebook Ads Practical Task

Project Title: Facebook Awareness Campaign for a Local Fitness Center

Client Background: "Belus Fitness" (a premium gym located in Banani, Dhaka) is launching a new "Summer Transformation Camp." They need a digital marketer to set up an awareness campaign to let the local community know about their new facilities and fitness programs.

Task Details & Requirements

1. Campaign Objective

- **Goal:** Brand Awareness (maximize reach and ad recall lift).

2. Audience Targeting

- **Location:** Dhaka (Specifically drop a pin around Banani, Gulshan, and Mohakhali with a 5km to 10km radius).
- **Age & Gender:** 18 - 35 years, Men & Women.
- **Detailed Targeting:** Interests in Physical fitness, Gym, Weight loss, Healthy diet, and Wellness.

3. Budget & Schedule

- **Budget:** 500 BDT per day.
- **Duration:** Run the campaign for 7 days.

4. Creative & Copywriting

- **Ad Copy:** Write a short, engaging caption. Highlight the pain point (feeling tired, inactive lifestyle) and the solution (joining the 30-day transformation camp).
- **Call to Action (CTA):** "Learn More" or "Send Message".

- **Visual Design Instructions:** Design a standard square (1080x1080) image ad. Create a split-layout design: use a subtle red color theme or border on one side to highlight the "Problem" (e.g., fatigue, lack of energy) and a fresh green color theme on the other side for the "Solution" (e.g., an energetic person working out). Keep the layout clean with minimal icons and focus on color psychology to drive the message.

Deliverables

- **Copywriting File:** A document containing the drafted Ad Copy (Primary Text, Headline, Description).
- **Creative Asset:** The final designed Ad Image in high resolution.
- **Ads Manager Screenshots:**
 - **Campaign Level:** Showing the "Awareness" objective selected.
 - **Ad Set Level:** Showing the Audience map (Dhaka targeting), Age/Gender, Detailed targeting parameters, and the 500 BDT daily budget setup.
 - **Ad Level:** Showing the creative and copy fully uploaded with the correct CTA button, ready to publish.
